Experience the DUX Difference

SWEDISH STEEL SPRINGS

At the heart of The DUX 8008 are Swedish steel springs - nearly twice as many as an ordinary bed. More springs provide better contouring for your body, reducing pressure points which can help improve circulation.

PERSONAL COMFORT ZONES

Everyone's body is unique. That's why The DUX 8008 offers individualized comfort zones, allowing two people to select the perfect setting for their shoulders, lower back and legs.

ADJUSTABLE LUMBAR SUPPORT

To crank it up a notch, the DUX 8008 offers adjustable lumbar support on each side of the bed.

EXTRA SUPPORT

The DUX 8008 comes with our Xupport Top Pad. This 2.5 inch replaceable cotton covered latex top pad adds extra softness and cushioning.
