

The DUX Axion

COMFORT IN ACTION

The DUX Axion combines the benefits of the DUX sleep system with the elevation capabilities of an adjustable bed. Its multi-layered Swedish steel springs offer the perfect combination of stability and support, while its dynamic, silent motor helps you settle into just the right height and angle. The DUX Axion comes with our Xupport Top Pad and is presented in its own storage bag

Experience The DUX Difference

SWEDISH STEEL SPRINGS

At the heart of The DUX Axion are Swedish steel springs. More springs provide better contouring for your body, reducing pressure points which can help improve blood circulation.

POWER TO SPARE

A 9-Volt battery enables you to return the bed to its original flat position in case of a power outage.

FINGERTIP CONTROL

The DUX Axion's elevation can be easily adjusted with an ergonomic and userfriendly handheld remote control that features soft-touch night glow buttons.

EXTRA SUPPORT

The DUX Axion comes with our Xupport Top Pad. This replaceable cotton covered latex top pad adds extra softness and cushioning.

STANDARD SIZES	NUMBER OF SPRINGS	DIMENSIONS
90x200/210	558/594	Mattress Height: 59 cm
105x200/210	682/726	Total Mattress Height with Xupport : 65 cm
120x200/210	806/832	Recommended Leg Heights: 18cm (included)

The DUX Axion cannot be ordered in custom sizes. The drive mechanism comes with a 3-year warranty and the spring system with a 20-year limited warranty.
